

Kevin & Min Oni Hunter

Kevin and Oni Hunter have been married for 11 years. They started Soaring Eagles in 2018 and work together side by side as CEO and COO. Kevin is a 20-year US Navy Veteran and specializes in Information Technology. Oni worked for 20 years in Corporate as a HR leader with her last role as a Vice President in HR before stepping out to start Soaring Eagles.

We are the proud parents of Kevin Jr affectionately known as KJ and our daughter Kem. We have 2 beautiful grandchildren Kemya (5) and Kevion (3). Kevin and Oni enjoy hosting family and friends in their home, and both love to travel.

Five years into the business God has done miraculous things. The company has grown tremendously, experienced growing pains and we have rejoiced in great victories. We are proud of the hard work and growth of our team, and we give God all the Glory. We are firm believers “if you take care of your employees, they will take care of you”.
