

Linda Clark is not only a worship leader, songwriter and gospel artist who was unquestionably born to sing, she is a worshipper! She has shared her vocal gift on numerous platforms around the world for well over 30 years. Her musical background reaches into a variety of genres like but her passion is predominantly highlighted through her ministry of Praise and Worship.

Evident through her awards, nominations and album work, Linda is an anointed psalmist whose voice is a welded combination of skill, technique, grace and airy excellence.

Over the years she has consistently surrendered her gifting into music ministry assignments, these include: Minister of Music, Music Coordinator, Youth Music Ministry Overseer, Workshop Clinician and Choir Director. Currently, she is a Praise and Worship Leader & Overseer at Mt Gilead Full Gospel Int'l Ministries, under the pastoral vision and leadership of Bishop Daniel Robertson Jr. & Elena Robertson.

You can identify even more of Linda's multifaceted calling to music, not just through singing, teaching and leading but also her very own music projects. The majority of her albums are self-arranged, written and produced. Linda's worship songs are powerful and connect the human heart with the spirit of God. Humbled and grateful for the opportunity to above all, serve, it is Linda's true and ultimate desire that her work, albums and ministry cultivate an atmosphere where the presence of God is found and the song of the Lord is heard.
